Your ref.: 43532/BS/CMN

Zurich, 24th June, 1965.

Dear Brian,

Will you please excuse my delay in answering your letter of 5th January, 1965. The reason was especially a slow correspondence about your proposals.

I will now send a photocopy of your additional informations to the Committee members of the I.E.A., and I shall propose them to take your additions in the minutes of the next General Assembly in 1967.

Kind regards,

Yours sincerely,
