

Japan Ergonomics Research Society
c/o Professor Masamitsu Oshima
Institute for Medical Electronics
Faculty of Medicine, Tokyo University
Hongo, Tokyo Japan

Zurich, 13th July, 1967.

Dear Professor Oshima,

According to the present Article 5, each Federated ergonomics society shall designate five delegates to the General Assembly and shall inform the Council of their names beforehand. These delegates will have right of vote in the first part of the General Assembly 1967.

If the new articles are accepted, the Federated ergonomics societies may designate for the second part of the General Assembly 1967 from among their members delegates according to the following schedule (article 5):

0 - 49 members	2 delegates
50 - 99 members	4 delegates
100 - 199 members	6 delegates
200 - 399 members	8 delegates
400 - 799 members	10 delegates
800 and more members	12 delegates

I beg you therefore to send me before 31st August, 1967, two lists with the names of the delegates of your Society for the two parts of the General Assembly 1967.

May I add here that in this second part the corresponding I.E.A. members (presently 128) will have the right of nominating six delegates.

Thank you very much in advance.

Yours sincerely,
