Art. 5.

Dear Sir,

As an answer to your kind notice dated the 6 of February I propose to your changing the first sentences of Art.2. and Art.5. in the Proposal to the General Assembly 1967 the following way:

"" Art.2

The I.E.A. is intended . . . interested in the scientific approaches and problems of anatomy, physiology, psychology and sociology applied to human work and its environment. ""

My lecture which I plan to give in Birmingham contains the motives of my proposal. Please find the draft enclosed. I shall send the full text with some delay, but as soon as possible.

"" Art.5.

Delegates of federated ergonomics societies, honorary members, delegates nominated by the corresponding members and members elected before the 1<sup>st</sup> October 1967 shall have one vote each when present at a General Assembly. ""

Yours sincerely,

Enc.
