Dear Grandjean,

Thank you for your memo (CH-8006) of April 7. I am of course willing to organize a short meeting for corresponding members on Tuesday, 7th July. However, I don't think I can continue being a representative or a delegate for these, since we now have started a Nordic Ergonomic Society of which I henceforth shall be a member, and this N.E.S. will probably be a member of the I.E.A. Incidentally, I am sure that the same is the case with Bruunsgaard.

This is just a notice as I don't know if it will have formal consequences for the meeting in Strasbourg.

With kind regards,

Sincerely

Erling Asmussen
