Dear Frederick,

Thank you for your letter dated 6th May.

On page 2 of the minutes of the council meeting there is a confusion about affiliated and federated members. I am under the impression that they were all accepted as federated members. Please correct these points as I have done on your draft, here enclosed.

I have corrected and written a new draft of the minutes of the 4th General Assembly which you will find enclosed. I hope you will agree with it.

I know nothing about a 2nd symposium on sitting posture. I should very much appreciate it if you could let me know as soon as you hear something more precise.

With best wishes,

Yours,

Etienne Grandjean
