5th Congress I E A
Organisation Bureau Amsterdam
P O Box 7205
AMSTERDAM NETHERLANDS

Dear Mrs Ydo-Berten

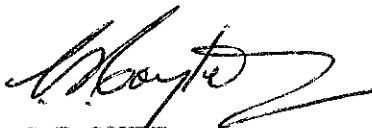

1 Thank you for advising that Mr W D Doble will now be unable to attend the Congress, and will therefore not be available as this Society's delegate to General Assembly. So far we have not been advised that any other member of this Society will be attending the Congress and in the circumstances perhaps an apology could be registered for inability to be directly represented. The Articles of the I E A do not appear to make any provision for allocation of proxies or authorised substitutes from other societies. Otherwise we could have suggested that perhaps Professor Shackel or Dr Bonjer may have represented this Society's interests at General Assembly.

2 In Newsletter No. 5 reference is made to "procedure laid down in the rules," (re nominees for Council). We have copies of the I E A "Articles" but do not have any copies of "rules". Could you please ask the Secretary General to forward a few copies of the "rules"?

3 Newsletter No. 5, item 2, refers to nominations for Council. If it will be of assistance to the I E A, this Society would offer Professor A T Welford, Department of Psychology, University of Adelaide, Australia as a nomination. Professor Welford is currently President of the A N Z Society which has 240 active members (30 June 1972).

~~I would be obliged if the above points could be directed to the attention of Secretary General, Dr F H Bonjer.~~

Yours sincerely

C T COYTE
