Prof. Thomas Alexander, IEA Vice-President Treasurer

Serving as auditors for the year 2023 for the International Ergonomics Association, we are pleased to inform you that the audit of the IEA financial documents for the 2023 book year has been completed. We have found the beginning and ending balances, deposits, expenditures, and service charges to be consistent with the amounts reported in the IEA Treasurer's Report for the period of January - December 2023. Also, we found the financial records to be complete and comprehensive without mathematical errors.

We would like to acknowledge the treasurer's responsiveness in working with the auditing team to review the records, to answer our questions concerning records, expenditures and transaction.
