

Organizational Design And Management (ODAM) Symposium
International Ergonomics Association Congress
17th Congress of the International Ergonomics Association: Changes, Challenges and Opportunities
August 9-14, 2009 Beijing, China
www.iea2009.org

The International Ergonomics Association will hold its 17th Congress in Beijing, China from August 9-14, 2009. The Organizational Design And Management (ODAM) technical committee has always played a very prominent role at IEA conferences:

- Bourne-mouth (GBR) 1985
- Sydney (AUS) 1988
- Paris (FRA) 1991
- Toronto (CAN) 1994
- Tampere (FIN) 1997
- San Diego (USA) 2000
- Seoul (KOR) 2003
- Maastricht, 2006

A total of 9 successful ODAM conferences have taken place since 1984:

- Honolulu (USA) 1984
- Vancouver (CAN) 1986
- Kyoto (JPN) 1990
- Stockholm (SWE) 1994
- Breckenridge (USA) 1996
- The Hague (NED) 1998
- Aachen (GER) 2003
- Maui (USA) 2005
- Sao Paulo, Brazil 2008

The 9th Human Factors in Organizational Design and Management (ODAM) Symposium of the Macroergonomics Technical Group sponsored by the, University of Sao Paulo, POLI-USP, PRO, TTO-Trabalho Tecnologia Organizacao, IEA (International Ergonomics Association), CAPES and supported by Fundacao Vanzolini, Macrergonomics Technical Group of the Human Factors and Ergonomics Society, and ABERGO. The conference was held from March 19-21, 2008 at Guaruja, Sao Paulo Brazil. Over 14 countries were represented in the conference. The Human Factors in Organizational Design and Mangement – IX proceeding book, edited by Sznclwar, Mascia & Montedo, was published by the IEA press containing over 110 papers.

You are invited to submit papers, posters, panels, workshops and round tables related to any of the following topics:

Organizational design and management / Macroergonomics
Participatory ergonomics
Macroergonomics in healthcare systems
Sociotechnical systems
Cross cultural issues perspectives of macroergonomics
Occupational health, stress and well-being
