Website (URL): <http://www.iea.cc/about/technical.php?id=51df95a4d7645>

<http://www.slipstripsfalls.org>

Chair: Richard Bowman

Appointment date of chairperson: 14 August 2015

Co-chair (if more than one co-chair, please provide all names and appointment dates):

Appointment date of co-chairperson:

Secretary (optional):

Appointment date of secretary:

| Reporting Year | Work Group / Executive Members (please provide name, affiliation and full address of each person) | Current Membership - no. of members - names of members (if possible) | Activities accomplished for the reporting year 2015. (be sure to include an overview of paper presentations at the IEA World Congress 2015 and papers contributed to IEA-endorsed scientific journals; please also report about possible collaboration with ISO, WHO or ILO) | Activities planned for the following year 2016 | Support requested from IEA Executive Committee, Standing Committees or other Technical Committees for the following year 2016 (in the form of management support, resources or other types of support services) |
|----------------|--|---|---|---|---|
| 2015 | <p>Richard Bowman Intertile Research 32 Robinson Street, Brighton East, VIC 3187, Australia. slipbusters@gmail.com</p> <p>Dr. Wen-Ruey Chang Liberty Mutual Research Institute for Safety 71 Frankland Road, Hopkinton, MA 01748, USA</p> | <p>Uncertain – incoming Chair was provided with an outdated list of 47 members, 32 of whom had belonged to a Federated IEA Society. There is a more extensive list of interested persons on the Contact Group for Slips, Trips, and Falls website, but it also has outdated data.</p> | <p>The TC organized 8 sessions (34 papers and 2 workshops) at the IEA World Congress 2015, on Injury epidemiology; Falls from height; Aging and healthcare; Stairs; Biomechanics; Tribology; and Slip prevention, as well as a visit to the Victoria University Biomechanics Laboratories</p> | <p>A hybrid Conference “Slips, Trips and Falls 2016: The Way Forward” will be held in London, 3-5 October, in conjunction with the UK Slip Resistance Group.</p> <p>We intend to use the organisation of the conference as a means for generating a current membership list; to introduce an E-newsletter; to establish a forum to engage members; and to create a more functional Executive.</p> | <p>We would be interested to know more detail about the types of support that are available.</p> |
