

IEA Anthropometry TC MEETING MINUTES

6/15/2021

Agenda:

1. Selecting Anthropometry TC Chairs
2. Exploring interest and potential topics for Anthropometry sub-committees
3. Ideas for increasing Anthropometry involvement in IEA and IEA Anthropometry TC

Minutes:

- Sudhakar Rajulu stepped down as co-chair and nominated Sandra Alemany Mut and Karen Bredenkamp as co-chairs for Anthropometry TC. There were no other nominations and all voted for this nomination
- The main purpose and topics of interest within the Anthropometry TC were identified as:
 - Share common views and methodologies within the Anthropometry domain
 - Networking
 - Disseminate Anthropometry data, techniques and methodologies to developing countries and new researchers
 - Sharing data and raising awareness of available data resources
 - Specific interest was shown in youth Anthropometry data

Action items:

- Karen to draft Minutes of TC meeting and distribute to Sandra and IEA chair
- Karen to update Anthropometry TC page for IEA website and share with IEA chair
- Karen to introduce Sandra as new Anthropometry TC co-chair on LinkedIn communication to Anthropometry TC group
- Karen to schedule meeting with Sandra bi-monthly to discuss further action items
