

Webinar Series

Emerging Researchers and Practitioners in Human Factors in Healthcare

Proposed Date: Thursday 30th May

Time: 14:00-15:30 (UTC/GMT)

Duration: 90 mins

The goal of this online webinar series is to showcase excellent projects at the forefront of Healthcare Human Factors & Ergonomics (HFE). The work has been carried out by Early Career Researchers and Practitioners (ECR/Ps) across the IEA network. ECR/Ps are PhD students and those who are within 0 to 5 years post-PhD (including career interruptions) or practitioners who have been working in Human Factors in healthcare for less than 5 years. The best presenter of the 2023-2024 webinar series will win the inaugural Richard Cook prize.

Webinar Chair: Saydia Wesley (PhD) | Lecturer of Healthcare Human Factors & Ergonomics, Loughborough University, England, UK | **Co-Chair:** Hamid Norasi (PhD, CPE) | Assistant Professor of Health Care Systems Engineering, College of Medicine and Science, Mayo Clinic, Rochester, MN
