Other information of particular interest to IEA and its Members	

<p>Name your IEA Member Society members that died who you wish to have recognized during the Council meeting. For each name, please include a sentence describing their significance to Human Factors and Ergonomics:</p>	<p>In Memoriam Jane Ahlin, Sweden Jane Ahlin was a distinguished physiotherapist and advocate for HFE. She served for many years as Chair of the Swedish Ergonomics and Human Factors Society (EHSS) and was an active member of the Nordic Ergonomics and Human Factors Society (NES). Jane was deeply committed to advancing the field of ergonomics through knowledge-sharing, collaboration, and professional engagement. She is remembered for her warmth, and tireless efforts to promote a healthier and more joyful working life.</p> <p>Dr Martina Berglund, Sweden Dr Martina Berglund was a respected researcher at Linköping University. As Director of the Human Factors Network in Sweden, she played a pivotal role in fostering interdisciplinary collaboration and advancing the application of human factors in research and practice. Her intellectual rigor and generous spirit made her a valued colleague and mentor. Dr Berglund’s contributions have left a lasting imprint on the field, and she will be remembered with deep appreciation and respect.</p>
<p>Any other comments:</p>
