Website address	https://greydient.site/aced/ (work in progress)
Number of society members	8293 members in 14 societies under ACED Network
Is the title Ergonomist, HFE specialist, or similar protected by law in your country?	No for all.
Briefly describe important activities of your Society / Network since last annual report	<p>ACED currently has 14 countries in the network. Iranian Ergonomics & Human Factors Society is officially part of ACED as of 21 May 2025</p> <p>Turkey has also registered to join the ACED network. However, the number of members in their society now is 15. As such, they will be recognized as Affiliated Member (Observer) status till the point their membership grows beyond 25 to be recognized as a Federated Member of ACED.</p> <p>ACED is formally and officially registered in Singapore on 14 August 2025 under the Registry of Societies.</p> <p>Plan to setup a bank account is in progress.</p>
What significant Society activities are planned for the coming year.	<p>ACED 2026 is planned to take centre stage 1-5 August 2026 in Singapore at One Farrer Hotel.</p> <p>1-2 August 2026 is planned for workshops while 3-5 August 2026 is planned for Conference.</p>
Briefly describe any significant challenges your Society / Network faced since last annual report.	<ol style="list-style-type: none"> 1. Getting the societies to contribute towards training and workshops. 2. Another challenge is forging collaborations across countries. 3. Reaching out to other Asian countries was also a challenge.
Other information of particular interest to IEA and its Members	N.A.

<p>Name your IEA Member Society members that died who you wish to have recognized during the Council meeting. For each name, please include a sentence describing their significance to Human Factors and Ergonomics:</p>	<p>Prof. Yoshi Horie from Japanese Human Factors and Ergonomics Society.</p> <p>An esteemed member of the ergonomics community, Prof Horie made significant contributions to the advancement of knowledge and practice in our field. His leadership and dedication will be deeply missed by colleagues and friends.</p>
<p>Any other comments:</p>	<p>N.A.</p>
