What significant Society activities are planned for the coming year.	Same as above, plus preparation work/activities for hosting the 2030 IEA triennial conference.

Briefly describe any significant challenges your Society / Network faced since last annual report.	<p>This is not in relation with our profession, but late 2024, we've been forced to terminate our professional relationship with our Management Company, so we took over the workload of the management of all the operations our Society has to do to operate as a non-for-profit organization.</p> <p>This has completely shifted the priorities of the Executive council, and we had to put On Hold the operationalization of our new 3-5 years Strategic Plan.</p>
Other information of particular interest to IEA and its Members	<p>No</p>
Name your IEA Member Society members that died who you wish to have recognized during the Council meeting.	<p>Emily Marguerite Colwell – October 23rd, 2023 Newly graduated from the Advance Ergonomics program at Fanshawe College in London, Ontario, and had begun a position at an Ergonomics Consulting firm in Stratford, Ontario, before passing away on October 23rd, 2023.</p>
Any other comments:	<p>No</p>
