Name and email of IEA Council Representative/s	Johanna Renny Octavia (johanna@unpar.ac.id)
Website address	https://pei.or.id/
Number of society members	1039
Is the title Ergonomist, HFE specialist, or similar protected by law in your country?	Not yet
Briefly describe important activities of your Society / Network since last annual report	In August 2024, we held the Tenth Congress for Ergonomics Society of Indonesia (PEI) in which a new president was elected for the term of 2024-2027. Since then, several activities were organized by the society, including: <ol style="list-style-type: none"> 1. Workshop Knowledge Sharing & Introduction of the New PEI Committee, in October 2025. 2. Comprehensive International Ergonomics Seminar (CIES), in November 2024. 3. Panel Discussion & FGD of the Technical Committee of Transport Ergonomics & Human Factors, in November 2024. 4. Collaboration Visit and Discussion to the Indonesian Ministry of Manpower, in January 2025. 5. PEI Webinar Series for National Work Safety and Health Month, in January and February 2025.
What significant Society activities are planned for the coming year.	For the coming year, PEI has planned these activities: <ol style="list-style-type: none"> 1. International Ergocamp (I-Ergocamp) 2026 2. International Conference on Ergonomics, Safety, and Health (ICESH) 2026 3. Ergonomics National Certification & Ergonomics Competency Trainings 4. Workshop Knowledge Sharing PEI (online & offline) 5. Ergonomics National Curriculum Standardization

<p>Briefly describe any significant challenges your Society / Network faced since last annual report.</p>	<p>Given the large numbers and the widespread location of our society members, we face the challenge for organizing offline events/meetings. Online meetings are more manageable to be arranged, but do not always give the expected interaction as offline ones.</p> <p>We have the majority of academics as members in our society, increasing the number of professional/non-academic members coming from the industry/business/government is still a challenge for our society.</p>
<p>Other information of particular interest to IEA and its Members</p>	<p>Our former president, Prof. Yassierli (2015-2018, 2018-2021) is the current Minister of Manpower for Indonesia. This achievement gives a boost to the ergonomics/human factors profession in Indonesia.</p>
<p>Name your IEA Member Society members that died who you wish to have recognized during the Council meeting. For each name, please include a sentence describing their significance to Human Factors and Ergonomics:</p>	<p>-</p>
<p>Any other comments:</p>	<p>-</p>
