To the Council of the International Ergonomics Association

Att. :Prof. Dr. Andrew Thatcher, IEA President,
Prof. Dr. Thomas Alexander, IEA Vice-President Treasurer

Serving as auditors for the year 2025 for the International Ergonomics Association, we are pleased to inform you that the audit of the IEA financial documents for the 2025 book year has been completed. We have found the beginning and ending balances, deposits, expenditures, and service charges to be consistent with the amounts reported in the IEA Treasurer's Report for the period of January - December 2025. Also, we found the financial records to be complete and comprehensive without mathematical errors.

We would like to acknowledge the treasurer's responsiveness in working with the auditing team to review the records, to answer our questions concerning records, expenditures and transaction.

We have comments and suggestions for the IEA Executive Committee to consider, as follows:

- Thank you for your excellent work.
- I agree with the comment, "excellent work" - thank you very much, Thomas!
-

We acknowledge the competence and commitment the Treasurer (Thomas Alexander) have demonstrated in the execution of their duties and suggest that the Council discharges the IEA officers.
